Begins Wednesday, August 15, at 8

About this time every year we prepare for our mammoth Fall Purchases, and to make room for these new arrivals sacrifice all profit—and generally part of the cost-so as to clear our floors in the shortest possible time. While these August Clearing Sales-or, more correctly speaking, Fall Preparatory Sales-are in effect, These yearly sales include thousands of the very best values that can be offered-and are numbered among buyers may gratify their desires at trifling expense. the great events of the year in our establishment.

With our triumphs of buying back of us we unhesitatingly assert that this year's sale will prove the richest in bargain opportunities that has ever taken place. See terms below!
